Section 3 – Reserve Fund Uses

1. Equipment replacement costs shall be defined as the cost to replace equipment that is vital to the basic function and operation of the Registered Student Organization, where the Registered Student Organization cannot function, operate, or progress without the equipment. 8. Registered Student Organizations may only receive funds for one Reserve Fund request per academic year.

4. An Undergraduate Student Government member must present a detailed written proposal for rollover use to the Ways and Means Committee for consideration.
